## Words of Encouragement

### Let's Talk to God

Talking to God is like talking to your friend on the phone.

### **You phone them:**

To thank them for something;

To ask for their help;

To share your joys with them;

Or just because you care about them and want to show your love.

You can't just keep talking, you have to stop and listen to what your friend has to say.

So pick up the phone and give God a call, the line is open 24/7, it's never engaged

He's waiting to hear from you.

R. Eggington.
