Words of Encouragement

Stepping Out in Faith

Sometimes as a church we need to Step Out in Faith and do what we believe the Lord is calling us to do. Yes, it is risky and it can be a bit scary too, but with prayer and theological reflection we can discern where we think our Lord is leading us to.

Last Sunday the first Messy Church was held in Hurstbourne Tarrant. We didn't know if anyone would turn up and how it would go. It was, I am pleased to say, a great success. And now we will be using the pastoral cycle to look at how we can improve it for the next time.

As we continue our journey with the Benefice of the Future we will be taking more steps of faith and it is incumbent on us all to use the gifts God has given us for his mission in our Benefice. This will mean there will be change, but that is what Jesus came to do. He came down to earth and brought about change. We, as his disciples, are following his lead and although we probably don't like change, that is what Jesus is challenging us to do.

So, let us Step Out in Faith and follow Jesus Christ, our Lord and our Saviour in God's mission.
