Words of Encouragement

By Rod Eggington

When we were building the toilet for our church in Penton a few years ago, the builders dug a large piece of stone out of the footings which had held the church up for 800 years.

At a Family Service, I used this stone as an illustration, and I wrote on it the words Peter said to Jesus in Matthew 16: 13-20 “You are the Christ, the son of the living God”. Jesus answered “Upon this rock I will build my Church”. This is our foundation, that Jesus is the Christ, son of the living God – let us go out and share that good news.

Archdeacon Michael and his wife joined us on that Family Service as members of the congregation, and afterwards he said “You must keep that stone”, so it sits on a ledge in the Church, a foundation stone with the foundation of our faith written on it for another 800 years?
