## Words of Encouragement

By Rod Eggington

### Who do I Trust?

I have been pulling my hair out for over a month of phone calls, E Mails texts and piles of letters. They want to take my phone line for another customer, I have been with BT for 40 years, and I don't want my phone cut off. I have spoken over and over again to lovely people in Stoke, Newcastle, Warrington, Leicester and Aberdeen to name a few.

They all promise me the problem has been solved but again and again I had threats to cut me off, more promises, problem solved?

Guess what, I have been cut off plus my account has been closed.

Two weeks to open up new account, I am now a new BT Customer with 2 new hubs? More phone calls more promises to be reconnected. More promises broken

Reconnected with different number more promises to put it right, still waiting

Who can I trust? We thank the Lord for those wonderful words of John Ch 14

Do not let your hearts be troubled, Trust in God, Trust also in me. In my father's house are many rooms, if it were not so I would have told you. I am going to prepare a place for you. And if I go I will come back and take you to be with me

Lord I believe You, Oh what joy, what comfort, You don't break your promises.

P.S. Wish I could believe BT
