Families Matter in our Churches

Along with Hannah, Ollie and Felix, we give thanks for the safe arrival of Roscoe Richard Smith. Roscoe was born on Sunday 3rd of March, weighing in at a mighty 9lb 3ozs! A new addition to the church family in Charlton. We pray God's blessing on them all.

Words of Encouragement By Revd Trevor

“Open our eyes, Lord, we want to see Jesus” goes the first lines of a lovely Christian song. As I look around our benefices, I can see that the Lord is opening eyes. The number of people coming to our Lent Course, ‘The Bible Explored’ is really heartening and encouraging. The Spirit is moving in this place as more people come to know our Lord Jesus. Just look around and see how many lives we are touching with the love of Christ. The work with our schools, the Messy Churches and our family services just to name a few.

Change within the church is inevitable as we strive to bring Jesus to new generations. It is challenging yet exciting, uplifting and sometimes painful. Spiritually it can be demanding but fulfilling. As we bring Jesus into the lives of new people we journey with them on their faith journey. We can be their spiritual companions as they become disciples of Christ and in doing so we can grow in our own spirituality at the same time.

As we work through the Bible Course, I believe many will be inspired as we find out the richness in the 66 books that make up the Bible, and my prayer is that more people will read their Bible on a daily basis. That I hope will inspire you to worship our Lord more as we give our lives to Christ.

I'll finish with words from another inspiring Christian song, 10,000 reasons. “Bless the Lord, O my soul, O my soul, Worship his holy name.”

With love and prayer
