

1. Visit the Pastrow Family website (www.pastrowbenefice.org.uk) **NOTE:**
It is important you don't do this before 9:50am as you may miss the link!

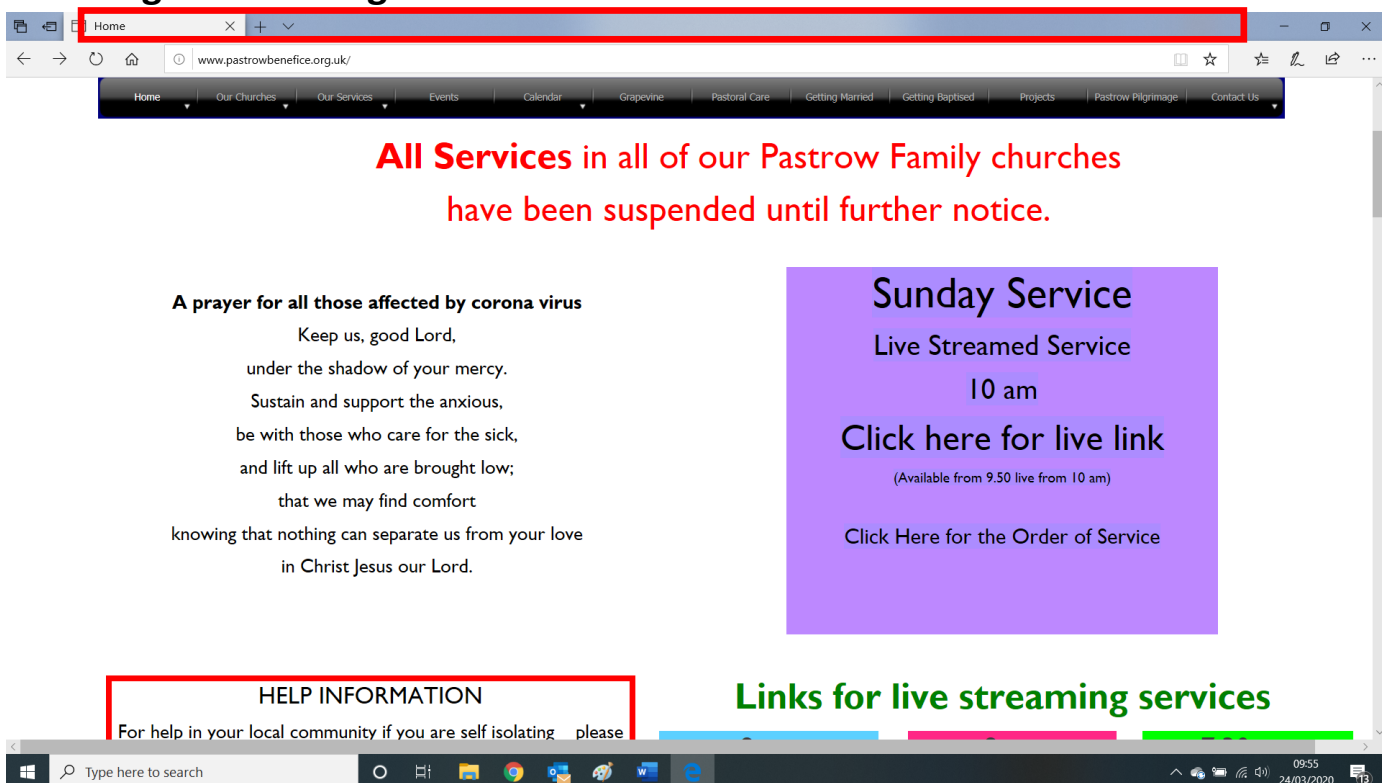

2. Click on the link for the live stream here which will bring up something that looks like this (or the Pastrow Family Logo on if you join before the service starts at 10am)

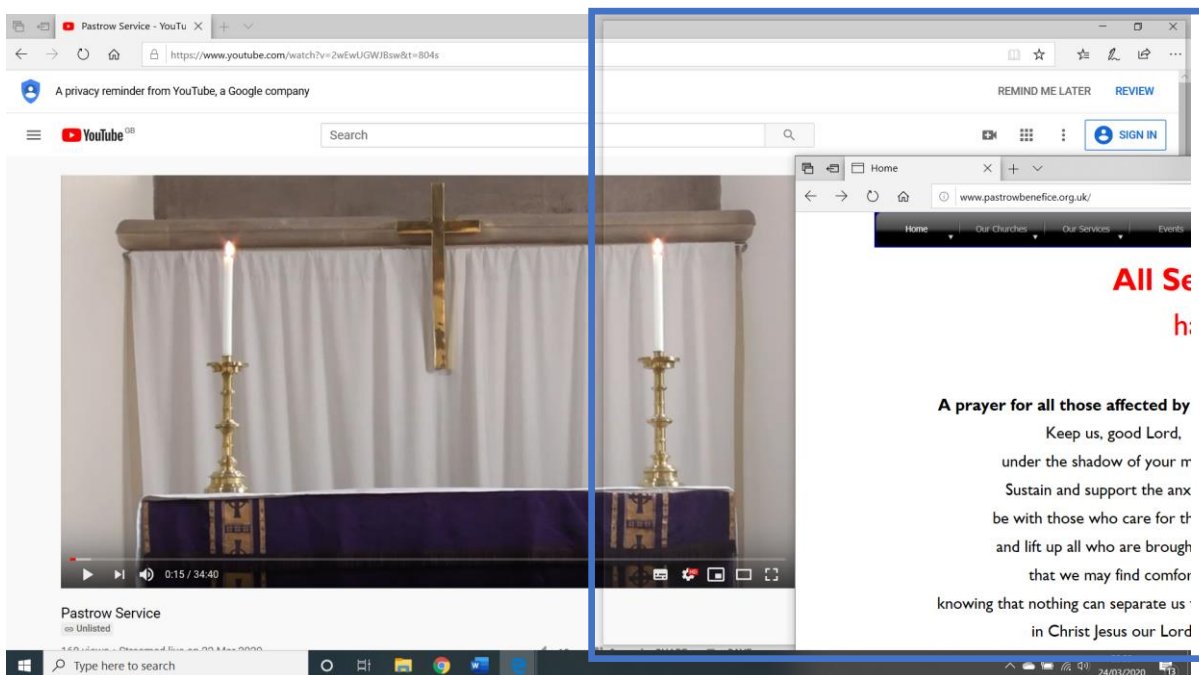

3. Go to the Pastrow Family website again (www.pastrowbenefice.org.uk) and then RIGHT-CLICK where it says "Click Here for the Order of Service" and click "Open Link in New Window"

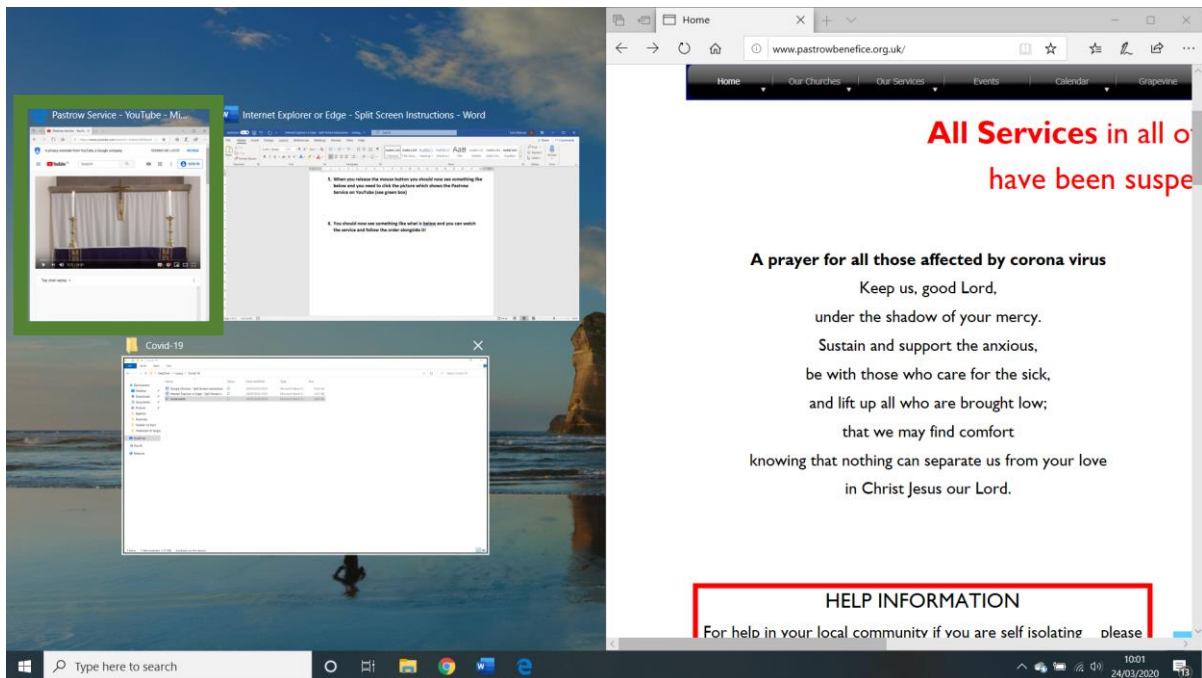

4. Click at the top of the window (see the red box below) and drag it to the edge of the screen

While you are clicking and dragging you should see something like this picture with the 'ghost outline' effect at whichever edge of the screen you dragged it to (see blue box)

5. When you release the mouse button you should now see something like below and you need to click the picture which shows the Pastrow Service on YouTube (see green box)

6. You should now see something like what is below and you can watch the service and follow the order alongside it!
